BREWING COMPANY

OUR STORY

Henderson Brewing Company is a Toronto-based brewery bringing small-brewery quality and attention to detail to every beer we brew.

HENDERSON'S BEST

Our flagship brew – an Ontario Brewing Awards winner in 2016 and 2017 – is a modern take on classic English ale. Pouring a deep-reddish amber, with a moderately hopped, caramel and malt-forward flavour, and a mild floral nose.

Henderson's Best is perfect for beer lovers who are looking for a balance between flavourful and drinkable. Combining traditional and contemporary flavours, Best is brewed to be approachable and refreshing, yet satisfying for the discerning beer drinker.
